

CALL FOR PAPERS

III International Conference ISBSG-AEMES
**VIII Annual Conference of the
Spanish Association of IT Metrics.**
October 1st and 2nd 2007, Madrid

INNOVATE IN THE IT PROCESSES

The VIII AEMES conference will occur in October 1st and 2nd 2007 at Madrid. It is expected the participation of world wide speakers like Dr. Ton Dekkers (ISBSG President) and Dr. Peter Hill (ISBSG CEO), among others.

The main subjects of the conference are focused on:

- Process improvement: ITIL, CMMi y CoBIT, among others.
- People improvement: IFPUG, CMMi, SWEBOK, ISTQB y PMI, among others.
- Software Factory and Testing Factory.
- IT Governance: processes, indicators and IT metrics.

We invite you to show your experiences and learned lessons in some of the previous subjects.

Calendar:

- **June 29th 2007:** Deadline to receive abstracts.
- **July 14th 2007:** Acceptance/Rejection of the abstracts.
- **July 27th 2007:** Deadline to receive the full paper, speaker photograph and short CV (5 lines).
- **July 27th 2007:** The conference program is closed.
- **September 14th 2007:** Deadline to receive paper presentations.
- **October 2nd 2007:** Paper presentation.
